All fees are subject to change without notice. These fees are based on on-campus living; off-campus accommodations may be more expensive. Summer enrollment may require additional funding and meal plans are not provided. When computing your expenses, remember that students holding a Student (F-1) visa will not be authorized to work off campus. Therefore, applicants should not look to employment, either part time during the academic year or full time during the summer, as a significant means of support.

For dependents to be included on the I-20AB, add \$3,500 per academic year for your spouse and \$2,000 per academic year for each child. (Spouses of F-1 visa holders are not permitted to work under any circumstances.)

You may need this documentation to prove to the United States Consular Operations that you have sufficient funds. We suggest, therefore, that you make copies of all documents for this purpose.
