

Engineering Technology Application

Thank you for your interest in the Master of Science in Engineering Technology program!

To be accepted into the program, you must meet the admissions requirements of both the College of Graduate Studies and the Engineering Technology program. The administrative process is as follows:

- (1) Submit the APSU application and all official transcripts as well as the Engineering Technology Application with attachments to the Graduate Admissions Office. Completed admission packets will be forwarded to the Engineering Technology Admissions Committee to render an admit decision.
- (2) The Engineering Technology Admissions Committee will review completed applications and notify the Graduate Admissions Office of the final admit decision.

An applicant must have a minimum cumulative undergraduate GPA of 2.5 with a bachelor's degree in engineering technology, engineering, or a bachelor's degree in a related field from a regionally accredited university. A candidate with degrees in related fields, such as physics, chemistry, computer science, or mathematics may be required to complete additional undergraduate courses in engineering technology after consultation with a departmental academic advisor. A candidate may submit unofficial transcripts for committee review purposes.

A candidate with a cumulative undergraduate **GPA of 2.5 through 2.95** must submit documentation to verify that they meet any **one** of the following requirements:

- 1) Passed the Fundamentals of Engineering examination (any state);
- 2) Licensed as a Professional Engineer (any state);
- 3) Society of Manufacturing Engineers Certified Manufacturing Engineer or Certified Manufacturing Technologist credentials;
- 4) Prior completion of 9 credit hours of graduate coursework in a relevant field with a GPA of 3.0 or better;
- 5) Documented industrial experience after graduation with the BS/BA degree.

A candidate with a cumulative undergraduate **GPA of 2.96 through 4.0** must submit a detailed resume with this application. No other documentation will be needed at this time.

All admission requirements should be mailed to the following address:

Austin Peay State University
