### CHARITABLE GIFT ANNUITY

In 2010, Dr. Harold S. Pryor ('46) established APSU's first gift annuity. That gift is now changing the lives of students.

#### What is a charitable gift annuity?

A charitable gift annuity combines a charitable gift with an income for life. A gift annuity allows you to make a gift to the APSU Foundation and the program of your choice while benefitting from the following:

- Safe, fixed income for your life and the life of a loved one
- Tax savings—immediately and in the future
- Favorable treatment of capital gains, if funded with appreciated assets
- Membership in a giving society at the level of your gift

#### How does a charitable gift annuity work?

In exchange for an irrevocable gift of cash, publicly traded securities or other assets, the APSU Foundation agrees to pay one or two individuals a fixed annual income backed by the resources of the APSU Foundation.

The minimum age to establish a gift annuity is 65. If you are using interest from CDs or dividends from other investments to assist in your living expenses, a gift annuity may be an option as the rate of return is greater than a CD and provides tax benefits.

Your income from a charitable gift annuity will never decrease, nor can you outlive it. This one-time purchase can provide a stable annual income and make a difference in the lives of APSU students.

*If you have an interest in establishing a gift annuity, please call the APSU Advancement Office at 931-221-7127 or Office of University Advancement, P.O. Box 4417, Clarksville, TN, 37044*
